

## Townsville City Council

### Refresher Soil Erosion & Sediment Control Course 2005

In conjunction with the Accredited 5 Day Soil Erosion and Sediment Control Planning Course, Townsville City Council will also be hosting a Refresher Soil Erosion and Sediment Control Course.

The refresher course is intended for those who have done the 5 Day SESCO course previously and who would like to update themselves on the latest trends and be able to resubmit course assignment to be Accredited as SESCO professionals.

The course is will be held on **Thursday 10 November 2005 from 6pm – 8pm** at the Townsville Plaza Hotel with light refreshment included.
