

How to organise your own Event

City of
Townsville

Anyone can be involved in CARbon Busters by organising an event for the day. If you belong to a school, university, organisation, workplace etc you can be a part of the event and encourage others to alternative forms of transport. Here's how...

1. CONSIDER:

Think about what your workplace, school, university or wherever can do to encourage people to reduce their transport related greenhouse gas emissions. For a start, have a look through the "Ideas for CARbon Busters Day 2004" below - but feel free to come up with your own idea.

2. REGISTER:

Fill out the reverse side of this flier and fax it or post it to CARbon Busters Townsville as soon as possible.

3. RECRUIT:

Gather up CARbon Busters Day volunteers from among your workmates, classmates, club members, neighbours, elected government representatives etc, to help you plan and hand out free stuff on the day.

4. PROMOTE:

Publicise your event in local newspapers, shops, on noticeboards and by email to let people know what you're up to. CARbon Busters can help by providing a sample media release and A3 posters. Also, let us know if a media skills workshop would be of use to you.

IDEAS FOR CARBON BUSTERS DAY 2004

- Reward non-polluting "commuters" to your workplace, school or uni with free trees, stickers, magnets, etc (contact CARbon Busters for some resources or gather your own from local businesses or your local council)
- **Contact your local councillor or state/federal member and sign them up for the "CARbon Busters Day Politicians' Green Transport Challenge"**
 - Launch a week-long (or longer) contest to see which departments, classes etc, can walk, cycle or catch public transport most (with prizes for winners)
 - **Have a non-polluting commuters' party or bbq with food, door prizes, etc**
 - Carry out a survey of current travel habits at your workplace, school or uni, including what would need to change for people to be able to walk, cycle or take public transport instead of drive
 - **Organise a poster design competition and display highlighting alternative transport**
 - Have a screening of the CARbon Busters Pollution Solution Video (we can lend or sell you a copy)
 - **Have a CARbon Busters poster display (we can lend you a set of laminated educational posters)**
 - Start a "walking school bus", where students walk to school along an established route (like a bus),
 - **Count bicycles parked at your workplace, school or uni before, on and after CARbon Busters Day**
 - Develop (and launch) a CARbon Busters Access Guide for your workplace, school or uni to help people find ways to get there without driving
 - **Organise a ride or walk to Campus/School/Work Challenge**
 - Sing the CARbon Busters Song at your school or organisation (CD's available)
 - **And if these nor any other idea interest you, contact CARbon Busters to see if you can help in someone else's event on CARbon Busters Day.**

Please contact Mark Davis on 07 4727 9313/0418199988 mpd@townsville.qld.gov.au

to see how you can help make this CARbon Busters Day the best ever.
